## Investiture, Symphony on agenda

# Performing Arts Center set for opening

A two-day series of events will mark the opening and formal dedication of the Mary Linn Performing Arts Center and the investiture of Dr. Dean L. Hubbard as the ninth president of Northwest.

"With the opening of the Mary Linn Performing Arts Center, we are taking advantage of the opportunity to dedicate the building, publicly thank Joe Linn for his generous support in providing \$250,000 to complete the facility and formally invest Dr. Hubbard," Robert Henry, public relations officer and chairman of the committee planning the ceremonies, said. "We've begun another important chapter in the history of the University and the ceremonies are a public recognition of that."

The gala opening of the \$3 million Performing Arts Center will kick off Monday at 8 p.m. with a performance by the Kansas City Symphony.

In addition, the 110-voice University Choral will perform Johannes Brahms' "Schicksalslied" accompanied by the Symphony.

The remainder of the program includes Beethoven's Overture to "The Consecration of the House," Schubert's "Symphony No. 8 in B minor," Frescobaldi's "Tocata," Tchaikovsky's "Romeo and Juliet," Fantasy Overture, and Nikolai Rimsky-Korsakov's "Capriccio Espagnole."

Tuesday, which has been proclaimed

ed by Governor Christopher Bond as Northwest Missouri State University Investiture Day, the program will feature a traditional academic procession with delegates representing four-year colleges and universities in the four-state area, the Northwest faculty and administration and key state government officials.

Alfred McKemy, president of the Board of Regents will serve as Master of Ceremonies.

Following a performance by the Tower Choir and University Wind Ensemble, Dr. Ronald Roskens, president of the University of Nebraska, will deliver the keynote address. Dr. Hubbard will then take his oath of office, deliver remarks and preside over the dedication of the Performing Arts Center.

A luncheon will follow at 12:30 a.m. in the Union Ballroom. Missouri State Senator Pat Danner, who will administer the oath of office during the investiture ceremonies, will speak at the luncheon.

For those unable to attend the morning ceremonies or the luncheon, a reception will be held from 3 to 5 p.m. in the Union Lounge.

The evening will end with a performance by the Northwest Jazz Ensemble at 8 p.m. Tuesday, in the Mary Linn Performing Arts Center. The music will include melodies from Count Basie, Duke Ellington and Buddy Rich.

## Project 90 establishes goals; Computers aid instruction

In an attempt to prepare the educational system for 1990, Northwest is presently involved in a joint computer program with the northern Kansas City school district.

"Project 90 was developed to set the scenario for curriculum design in 1990," Dr. Morton Kenner, director of off-campus special projects, said.

Kenner said the project first started when Dr. Truman Burton, director of secondary education in the northern Kansas City school district became concerned about the effect of the intrusion of high technology in education. Kenner and Burton then began the initial planning and presently coordinate the program.

Project 90 is divided into three categories: developing personnel and resources, defining of the educational requirements for 1990 and changing the curriculum to fit the needs for 1990, Kenner said.

To develop the resources, Kenner said, labs in the schools must be

developed. The main resource is educating the teachers. Kenner said that these courses, or "teacher utilities," involve word processing, a grade manager and a test generator. Since the programs began in the fall of 1983, over 700 teachers have participated.

To redesign the curriculum, Kenner said they asked what 1990 would be like. To research the situation, experts and Delphi study was used. A Delphi study is a questionnaire used to determine whether or not an event will occur. The studies will be followed up in 1989 to determine whether or not any differences occurred.

"The courses offered through the university are approved and supervised by the departments," Kenner said. The participating departments are computer science, education and business.

"The university's involvement in the program should enable the university to maintain its leadership in teacher preparation," Kenner said.

## Task Force makes safety recommendations

The task force formed to suggestions about safety on campus presented their recommendations Nov. 26 to Dr. John Paul Mees, vice-president for student affairs. The task force was separated into three areas: campus safety, policies and procedures of the campus judicial system and the prevention and awareness of rape, sexual assault and sexual harassment.

"In the campus safety, we have implemented or are working to implement and are exploring some of the possibilities," Mees said about the recommendations.

Some of the recommendations by the campus safety subcommittee are:

\*All outdoor lights be turned or repaired and that outdoor night lighting maintenance have top priority.

\*Older floodlights be replaced with high pressure sodium lights.

\*Alarm doors be installed in all residence halls except for the main exit. Hudson, Perrin and Roberta be the first to receive alarms.

\*The current escort policy be maintained.

\*Three outdoor phone booths be established.

\*Campus Safety officers increase the time spent patrolling by foot.

\*Campus Safety and the university administration investigate the possibility of a civilian or cadet group to assist in patrolling.

\*Self defense classes for women be given greater emphasis in the curriculum and offered outside the curriculum.

Mees said that the judicial system committee is working to revise the

system. Revision will be implemented in January. However, some of the recommendations be clarified by the committee before approval.

"First we must clarify the university's position on rape, sexual assault and sexual harassment," Mees said.

Some of the suggestions concerning the policies and procedures of the judicial system are:

\*A statement detailing procedures for reporting sexual harassment or following a report of sexual assault or rape.

\*A statement identifying the procedure for providing feedback on the findings and sanctions resulting from a disciplinary case.

\*Publication in the campus newspaper of periodic press releases from the Dean of Students office on categories of disciplinary offenses and

the range of sanctions.

The third committee which dealt with the prevention and awareness of rape, sexual assault and harassment must also clarify some of their recommendations said Mees.

Some prevention and awareness ideas include:

\*Setting up informational and educational programs. This would consist of seminars, panel discussions and orientation classes.

\*Advocates be trained from volunteers in the university community. The advocates would be available to support victims of sexual offenses from the beginning of the trauma.

Mees and members of the committee are very positive about the recommendations. Mees said that the reports "are good and meaningful."

## AROUND THE GLOBE

### Eight men arrested for bomb planning

ROME--Police arrested eight men suspected of planning to bomb the U.S. Embassy in Rome, according to *Los Angeles Times*. Six of the men, all reportedly Lebanese, were arrested at a beach resort near Rome after the seventh suspect was detained near the embassy.

The seventh suspect was carrying an outlined map of the embassy, including special security arrangements.

The eighth suspect was arrested in Zurich, when it was discovered that he was carrying 4.4 pounds of high explosives. Apparently, the other men were waiting for this suspect before taking action at the embassy.

### Pacific Northwest snowed in by storm

Tuesday, parts of the Pacific Northwest were hit with winds up to 90 mph and up to 10 inches of snow, knocking out power for thousands of homes. The strong winds also caused sky scrapers to sway in San Francisco.

Another storm hit the Gulf region, drenching several states with heavy rain. In drought-plagued Hawaii, over 10 inches of rain fell in 12 hours.

### Translator held for suspected treason

WASHINGTON--The FBI arrested a former translator for the CIA Tuesday, and charged him with providing national security secrets to the Czechoslovakian intelligence service (CIS).

According to the *Los Angeles Times*, Karl F. Koecher was arrested near his apartment as he and his wife prepared to flee to Zurich, Switzerland. Koecher was trained for the CIS between 1963 and 1965 before coming to the United States.

Koecher began working for the CIA in 1973. Nine years later it was discovered that he had copied CIA secrets, later passing them to a CIS agent. He faces charges rather than expulsion, because he operated without political immunity.

## Campus security dominates Board meeting

BY GREG KELING  
Staff writer

Increasing concern over safety on campus was the main point of the Nov. 16 Board of Regents meeting.

The Board began discussing the issue of campus safety carrying firearms. Dr. Robert Bush, vice-president of environmental services, stated the fact that no safety officers would be allowed to carry firearms under any circumstances, and couldn't anyway without the Board's approval.

The Board tried to clarify the circumstances under which firearms would be carried on campus. The Board was concerned at what power last fall's commissioning gave the officer's and how it was being used.

"The security on campus makes me nervous when it comes to their role between the campus and outside jobs with the sheriff," Northwest President Dean Hubbard said.

The Board agreed that discussing the off-agenda topic was unfair to persons involved in the safety issue, and thus agreed to put the issue on the January meeting agenda in order to have those involved present also.

During the student report, Tim

Photo by Edmundo Barrera

DEAN HUBBARD, ROBERT Cowherd and Ted Robinson review documents pertinent to the Nov. 16 meeting.

Beach, president of Student Senate, discussed the escort policy changes in the dorms.

The discussion led to surveys of students' views of the new escort policy distributed in the dorms. Results of the survey will be given to the Board at the next meeting for further action. The Board decided to set up three committees on to determine the problems with lighting and security on campus.

The Board also discussed the

faculty report which contained the means by which students will be chosen to participate on faculty boards such as admissions and budget. Beach discussed new policies on alcohol added to the Homecoming constitution as well as the selection of the three finalists for the position of a student advisor to the Board of Regents.

For the past several months President Hubbard and his assistants have been setting up the

proposed mission statement of the master plan steering committee. The mission statement identifies the specific intentions of the University. The statement was approved by both the Faculty Senate and the Student Senate.

The Board also discussed the fact that Northwest enrollment is decreasing. This year's actual enrollment of 4,858 on-campus students, fell 100 short of the projected enrollment.

## AROUND THE TOWER

### Validation deadline is approaching

All pre-registered students need to pay the \$100 validation fee by 3 p.m., Dec. 3.

Upcoming due dates for the spring semester are as follows: first installment - 3 p.m., Jan. 18; second installment - 3 p.m. Feb. 1; third installment - 3 p.m., March 1; final installment - 3 p.m., March 29.

### Art students exhibit their talents

The Art Club will be sponsoring an art show and sale Dec. 1 from 7:30 a.m. until 2 p.m. in the Fine Arts Building. Items will include pottery, prints, paintings and photos. Some jewelry and weavings may also be there.

Preparation started early in the year as students worked in classes making "masterpieces" that they can keep or sell. "Many people come to this sale to get Christmas presents," Russ Schmaaljohn, Art Club sponsor said.

### Student payroll date is near

Dec. 14 will be the payday for students and graduate assistants. Students who will not be on campus should leave a self-addressed stamped envelope at the payroll office. For more information contact the payroll office at ext. 1105.

### Contest winners have audition for TV

Men with Hats, the group that successfully strutted their stuff to win Confe-ti's \$10,000 Bizarre Contest, has audition dates for "Puttin' on the Hits" a show that will be on CBS. Dave Easterla said that they have added three more people to their new act. One of the new members is a Northwest student.

### Seniors prepare for graduation

According to Senior Class President Steve Ester there are three policies that graduating seniors need to be aware of. First, apply for senior statement if 75 hours have been accumulated. Students must have applied for a senior statement in order to graduate. Second, apply for graduation the semester before at the Registrar's Office. Finally, placement files can be started at 11 a.m. or 4 p.m. in the Placement Office at the Student Union.

### Workshop shows off new facilities

Fifty high school counselors in the four-state region attended a counselor's workshop today to acquaint themselves with Northwest's newest facilities. "The workshop's main objective was to show off facilities and get the counselors acquainted with Northwest again," Lori Tyner-Weddle, coordinator for admissions and student recruiter said.

### Band to perform at Chiefs/Bronco game

"It's a finale to a really fine year," Al Sergel, Northwest Bearcat Marching Band director, said. Sergel is referring to the final band appearance in Kansas City, Dec. 2.

According to Sergel, the 110-member band will be marching in a halftime performance at the Kansas City Chiefs/Denver Bronco game at Arrowhead Stadium.

This "finale" began last April when Sergel first requested information about the appearance. Sergel mentioned that this was the first year only college bands would be selected to perform. In previous years, both high school and college bands were accepted.

Another change is all the band's traveling and food expenses will be paid for.

Sergel was notified in June of their acceptance. "You have to take opportunities when they come," Sergel said. "If you don't, I don't think they'll come again."

The band has been preparing twice a week since early November for their appearance. They will be performing drills and music selections that they presented this past season.

In the past, the band would be ready to retreat indoors; but this is no ordinary season. Sergel names three reasons for the longer season.

The first is the Chiefs game, secondly, the football team's success and finally, the Investiture.

"I'm very excited," Sergel said. "First for the people in band to have an opportunity to do this and also the opportunity to play for 30,000-70,000 people is a real excitement."

Sergel would like to thank the athletic department for the support and funding of the pep band and marching band.

JOANNE FELT, FORMER Northwest faculty member, displays one of her works, 'Electricity'.

## Felt returns for art exhibit opening

Realistic abstract impressionism is the main focus of the artwork of Joanne Felt currently on display in the Olive DeLuce Fine Arts Gallery. The collection features many of Felt's earlier works with an emphasis on gravity and weightlessness.

The collection will be on display from the Nov. 26 opening day until Dec. 14, from 1 p.m. to 5 p.m.

"I'm really into abstract impressionism," Felt said. "All of my paintings are on a personal level and some are even autobiographical. I usually start out thinking a painting means a specific thing, but once it's finished I find it means something totally different."

A graduate of University of Illinois and former Northwest faculty

member, Felt is currently an artist in residence in Des Moines, IA. She also teaches art classes at Iowa State University as a temporary assistant professor.

## THE MEETING PLACE

A new place for parties, dances, fraternity functions, dorm parties, reunions and 100 other occasions!

THE MEETING PLACE is a privately owned building, located one mile north behind the Skate Country Roller Rink.

## OVERSEAS EMPLOYMENT

WORLD-SIDE OPPORTUNITIES FOR MEN AND WOMEN!  
JAPAN - EUROPE - AFRICA - AUSTRALIA - THE SOUTH PACIFIC - SOUTH AMERICA - THE FAR EAST.  
EXCELLENT BENEFITS. HIGHER SALARIES AND WAGES!  
FREE TRANSPORTATION! GENEROUS VACATIONS!

More than 300,000 Americans — not including members of the armed services — are now living overseas. These people are engaged in nearly every possible activity...construction, engineering, sales, transportation, secretarial work, accounting, manufacturing, oil refining, teaching, nursing, government, etc.-etc. And many are earning \$2,000 to \$5,000 per month...or more!

To allow you the opportunity to apply for overseas employment, we have researched and compiled a new and exciting directory on overseas employment. Here is just a sample of what our International Employment Directory covers.

(1). Our International Employment Directory lists dozens of cruise ship companies, both on the east and west coast. You will be told what type of positions the cruise ship companies hire, such as deck hands, restaurant help, cooks, bartenders, just to name a few. You will also receive several Employment Application Forms that you may send directly to the companies you would like to work for.

(2). Firms and organizations employing all types of personnel in Australia,

Japan, Africa, The South Pacific, The Far East, South America...nearly every part of the free world!

(3). Companies and Government agencies employing personnel in nearly every occupation, from the unskilled laborer to the college trained professional man or woman.

(4). Firms and organizations engaged in foreign construction projects, manufacturing, mining, oil refining, engineering, sales, services, teaching, etc., etc.

(5). How and where to apply for overseas Government jobs.

(6). Information about summer jobs.

(7). You will receive our Employment Opportunity Digest...jam-packed with information about current job opportunities. Special sections features news of overseas construction projects, executive positions and teaching opportunities.

### 90 Day Money Back Guarantee

Our International Employment Directory is sent to you with this guarantee. If for any reason you do not obtain overseas employment or you are not satisfied with the job offers...simply return our Directory within 90 days and we'll refund your money promptly...no questions asked.

### ORDER FORM

International Employment Directory  
131 Elma Dr. Dept. T21  
Centralia, WA 98531

Please send me a copy of your International Employment Directory. I understand that I may use this information for 90 days and if I am not satisfied with the results, I may return your Directory for an immediate refund. On that basis I'm enclosing \$20.00 cash... check... or money order... for your Directory.

GAIL ERICKSON AND Gina Gae Peterson prepare for the Yuletide Feast.

Photo by Kelley McCall

## Yuletide Feast

The ballroom will be turned into a scene from Merrie Olde England Dec. 7 and 8 as a cast of 60 members presents the 11th annual Yuletide Feast. A 30 foot long castle is being constructed along with ceiling banners, candles and greenery to add to the festivities.

Besides a gala of music and atmosphere a splendid all-you-can-eat buffet including hot wassail, winter salad, cheeses, fruits, breads, a variety of meats and vegetables and plum pudding will be served.

Admission to the feast is \$9.75. Northwest students can partake in the festivity for \$7.75 or \$6.50 with a meal plan. Tickets for the event are available through 4 p.m., Dec. 6. For reservations call ext. 1326.

Past Yuletide Feasts goers have always enjoyed this experience. "The Yuletide Feast is a wonderful opportunity to leave the world behind and join friends and family in a different time. A wonderful way to say 'Merry Christmas,'" Marilyn Rhea, Maryville High School music director said.

## Fall concert tickets go on sale Monday

John Cafferty and The Beaver Brown Band have signed a contract to play at this year's fall concert. Tickets will be on sale Dec. 3 - 5, 11 a.m. - 2 p.m. at the Information Booth, 4 - 6 p.m. at Taylor Commons and at the the door the night of the concert. Tickets will cost \$1 with student I.D.'s and \$6 for the general public.

The concert starts at 8 p.m. in Lamkin Gymnasium. Phil Neal who opened for Men Without Hats last fall will be the opening act for John Caf-

ferty and The Beaver Brown Band. "I feel this band will give Northwest a concert that they have been waiting for," RaeLynn McClendon, vice-president in charge of concerts said.

CAPs members are excited that they were able to get a band that has songs that are known. "This time we got a band that is hot. They're being shown on MTV and their songs are being played on the radio stations," Michelle Detty, CAPs president said.

## 'Storytellers' a Christmas tale

The Northwest Theatre Department and Alpha Psi Omega will be presenting the third annual children's show, Storytellers, beginning next Friday at the Charles Johnson Theatre.

Storytellers is a children's show including two fairy tales, "The Real Princess" and "The Nightingale," involving children in the audience.

Senior David Shamberger is the student directing the production along with assistant director Jerry Brown-junior.

"I think it will be a good production. There's high energy. I feel good about it and I think the cast members do, too," Shamberger said.

According to Shamberger, the play is about a toy man giving a Christmas present to a little girl. A mirror image comes to life and says the music box isn't a good Christmas present since

the girl already has one. So the mirror image suggests a pea and a feather.

"The two stories come out of the pea and the feather," said Shamberger. "It tells kids that it's okay to be creative," he concluded.

Performances will be Dec. 7 and 8 at 7 p.m. and Dec. 9 at 2 p.m. Instead of buying tickets, donations will be taken at the door. The donations go toward The Daily Forum Christmas Fund, which helps needy families at Christmas.

"It's progressing really well. It's a well rounded show," junior Tom McLaughlin, cast member, said. "We're planning on making a lot of money for the Christmas fund."

Storytellers will begin touring Dec. 12 to area elementary schools and businesses. The proceeds from the tour will fund the theatre scholarships represented by Alpha Psi Omega.

## KDLX CHRISTMAS DANCE

Join the fun Dec. 6 from 8 to 11 p.m. in the Spanish Den. KDLX will be collecting food, money, can goods, clothing and other assorted items to help the needy families of Nodaway County.

## AROUND THE TOWN

### CONCERTS

December

**5 JOHN CAFFERTY AND THE BEAVER BROWN BAND.** Opening will be Phil Neal, 8 p.m. in Lamkin Gym. Tickets: go on sale Dec. 3, 11 a.m. - 2 p.m. at the Information Booth and from 4 - 6 p.m. in Taylor Commons. Tickets may be purchased at the door the night of the concert. Tickets are \$1 with student I.D. and \$6 for general admissions.

### ORGANIZATIONS

December

**1 ART CLUB.** Sponsoring an art sale and show, 7:30 a.m. until 2 p.m. in the Fine Arts Building.

**4 DROP/ADD DAYS.** Free drop/add will take place Tues. and Wed. This is different from the past when students had to wait until the Spring semester started.

### PERFORMANCES

December

**7 STORYTELLERS.** Alpha Psi Omega annual Christmas production, 7 p.m. at the Charles Johnson Theater. A 2 p.m. performance will be presented Dec. 9. All proceeds from the campus performances will be donated to the local Christmas fund for need families.

**YULETIDE FEASTE.** Co-sponsored by the Northwest Music Department and CAPs. Performed Friday and Saturday at 6:30 p.m. in the Ballroom of the Student Union. Tickets: Reservations at Room 101 Olive DeLuce Fine Arts Building. Adults \$9.75, Northwest students \$7.75 or \$6.50 with meal plan. For more information call 562-1326.

If you wish to have information placed in 'Around the Town' please contact the Activities editor at 562-1224 any time from 9 a.m. to 5 p.m. All information must be submitted no later than Monday, 4 p.m. to ensure publication in that week's edition.

## Unusual events, circumstances

# Reliving life's embarrassments

BY TRICIA HALES  
Staff writer

When Northwest students are asked to recall embarrassing moments, an instant reaction overcomes them, usually a cherry-red face and a chuckle.

One embarrassing moment for a student lead a policeman into an unexpected surprise.

"I got pulled over for a speeding ticket while in a big road block in Kansas City. A policeman was standing near my car waiting for my license and when I thought the car was in Park, it started rolling forward, and I almost ran over the policeman," Ginger Harless, freshman, said. The policeman replied, "You ought to be more cautious," she said.

Embarrassing moments can also be literally painful.

"In Colden Hall, between classes, I was walking down the stairs and was unzipping my backpack and caught my heel on the bottom step and fell on my knees. It was crowded too," Robin Wilke, freshman, said.

Two students had embarrassing moments where clothing was involved.

"My junior year in high school, I was trying on shorts at a sports center in a bathroom used as a dressing room. It had a jammed door that wouldn't shut all the way. While

changing back into my jeans, the door burst open and a guy was standing right there," Denise Grisamore, sophomore, said. "I don't know who was more surprised," Grisamore said. "With a beet-red face, he stammered and stuttered and finally said 'excuse me,'" she said.

Another student was embarrassed when her clothing attracted static electricity.

"When I was a first semester freshman here, I was dressed up to give a speech. Little did I know, when I took off my trench coat, static electricity had pulled my dress clear up to my waist," Roberta Scroggie, junior, said.

Two other students found family gatherings an "appropriate" time for embarrassing moments.

"Last Christmas, I asked for a watch and I was sure I was getting it, but it was wrapped in a different box, so I wouldn't know what it was. While I was unwrapping my present, it came in a tampon box," Cindy Osborn, freshman, said.

Another family gathering left one student embarrassingly speechless.

"My senior year in high school, my boyfriend, who was in the Marines, came to my house for a family dinner. When I was introducing him to my aunts and uncles, I forgot their names," Karen Rinne, junior, said.

A high school initiation was an embarrassing moment for one student after losing a race.

"My freshman year, during an initiation, I was racing with another girl trying to roll an egg across the floor with my nose. The winner who got to the other side first would kiss her mom on the cheek, but I lost when my egg broke, so I had to dance in front of everyone," Tracy Osborn, sophomore, said.

Embarrassing moments for students happen at unusual times.

"At the freshmen dance this year, walking toward the patio, across the street from North Complex, a car drove up behind me, when I didn't know it, and a person in the car slapped me on the rear," Janice Frump, sophomore, said.

An embarrassing moment was unusual but somewhat fun for one student.

"It was the day before my birthday, which was Halloween, and a bunch of my friends kidnapped me and dressed me up in a raggedy old nightgown and bathrobe with fuzzy slippers. They put cold cream on my face and then took me out to dinner to a nice restaurant," Sarah Browning, senior, said. "It was fun, but embarrassing," she said.

Another student recalled an embarrassing time for her while making a phone call.

"I called home one day to tell Mom something exciting and I was talking and rattling on when a voice chuckled and said 'Dear, I believe you have the wrong mother.' I was so embarrassed, I quickly apologized and hung up," Teresea Morris, freshman, said.

Whenever an embarrassing moment happens recalling the memory always seems to bring about a bright-red face and a little laughter.

## POSITION OPEN

Graduate Assistantship/Teacher Aid  
Home Economics Child Development Center NWMSU.  
Available Jan. 20, 1985 for Spring semester. Must have previous experience working with pre-school children and meet requirements for enrollment. Contact Dr. Frances Shipley at (816) 562-1168.

## Cars should be winterized now

BY MICHELLE MEADE  
Staff writer

Winter is rapidly coming.

It's that time of year to begin preparing our automobiles for cold weather.

Raymond Shell, owner and operator of the local Shell Standard gas station, said right now is the time for people to begin getting their automobiles ready for winter. "You want to make sure you have plenty of anti-freeze, get the vehicle tuned-up, check the radiator hoses and be sure you have the right weight of oil," said Shell. The oil shouldn't be too heavy.

A State Highway patrolman in Andrew County, Mo., listed a few other preparations. The windshield wiper

fluid ought to be checked and the heater and defroster should be in proper working condition, according to him.

Another important point the trooper brought up was that the muffler and tailpipe ought to be examined for leaks. Deaths have occurred as a result of carbon monoxide poisoning due to such leaks.

To add to this list, the gas tank should be kept full throughout the winter months. Condensation is less likely to occur in the gas tank.

Good treads on snow tires are also valuable. To help keep up the appearance of a vehicle, a good waxing before winter sets in is a good idea.

If you happen to get stuck in the snow, you can try rocking the vehicle

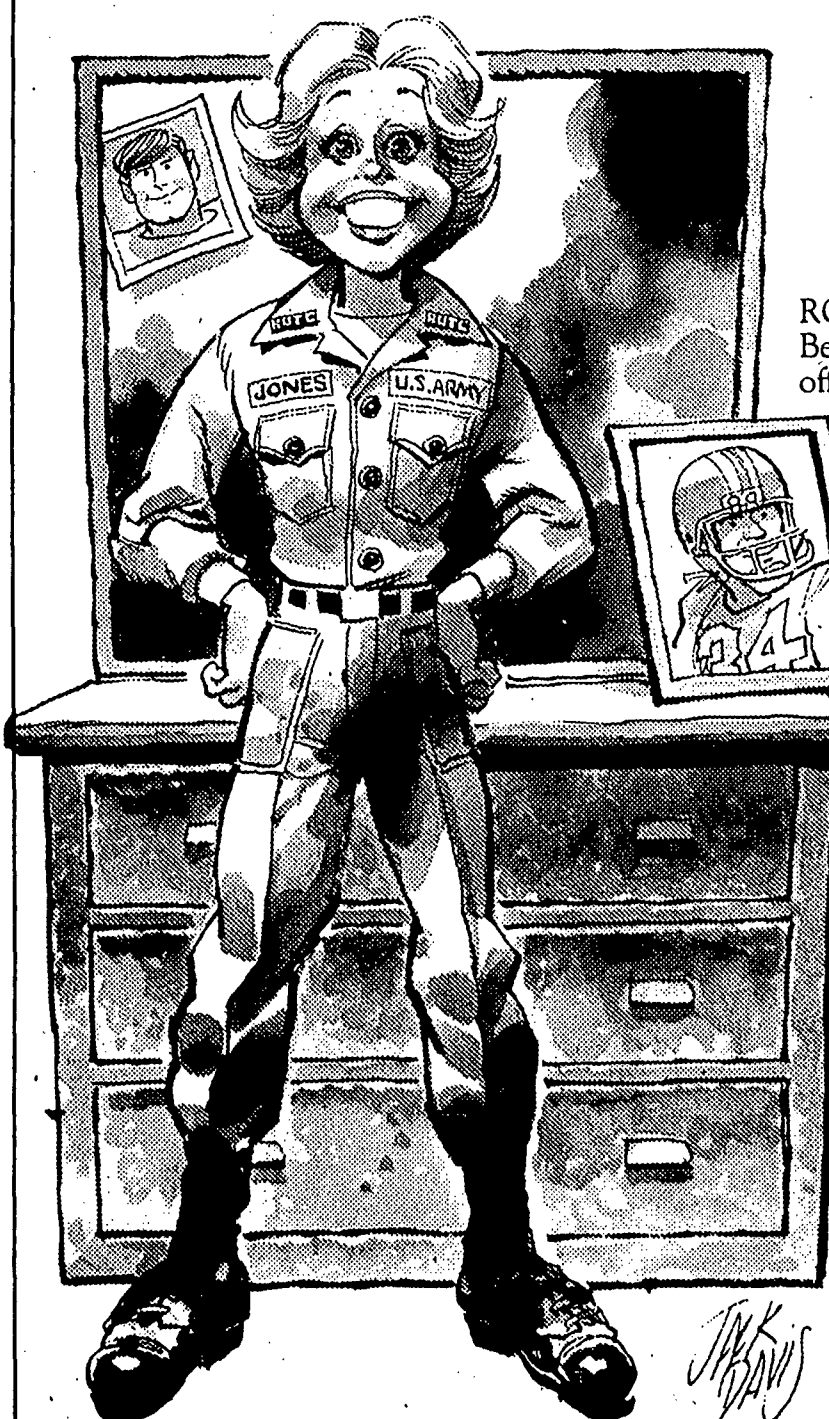

if possible. Otherwise, Shell said to call the nearest AAA, even if you don't have a club card. AAA can call a service to help you out, according to Shell.

However, if it's severe weather conditions you are stuck in, the State Highway patrolman advised staying with the vehicle. "It can provide some degree of protection," he said. But he warned, "Don't run the engine unless you're sure the tailpipe is completely free of leaks because of the fear of carbon-monoxide poisoning."

When sliding, apply the brakes gently, Shell said.

Staying alert at all times, driving at reasonable speeds and using appropriate safety equipment are the best precautions to take when driving in the snow and ice.

## YOUR GIRLFRIEND WEARS ARMY BOOTS.

If she's a member of Army ROTC, that's a real compliment. Because she knows that ROTC offers the same opportunities for young women as it does men.

In ROTC, she'll have the chance to develop leadership skills and earn money at the same time.

After graduation, she'll become an officer in the Army, where she'll get the kind of experience employers value.

If your girlfriend wears Army boots, she has a head start on an exciting career after college.

For more information, contact your Professor of Military Science.

**ARMY ROTC.  
BE ALL YOU CAN BE.**

# Mavs defeat 'Cats 28-15 in Division II playoffs

QUARTERBACK BRIAN QUINN scrambles to avoid the Uno defense. Playing in his last game as a Bearcat,

Quinn completed 25 out of 42 passes for 423 yards and one touchdown in a losing cause.

Photo by Scott Trunkhill

## Bearkittens drop first game of year

Northwest's women's basketball team suffered their first loss of the season Tuesday night in St. Joseph. The Bearkittens fell to the Missouri Western Lady Griffons despite a second half rally, 81-69. The loss was the first of the year for the 'Kittens after jumping out to five straight wins to open the season.

The 'Kittens went into the game with starters Marla Sapp, Kim Scamman and Holly Benton banged up from earlier contests, all of which were played on the road. Apparently it had an effect as the ladies started out slowly, letting Missouri Western reel off the first fifteen points of the game. The home team coasted to the half, 38-29.

Northwest cut the Lady Griffons lead to four points with 5:35 left to play but never came any closer. Missouri Western's 81-69 victory gave them their fourth win in a row after dropping their season opener.

Sapp led the team with 17 points and nine rebounds. Senior center Beth Thater scored 15 points and took six rebounds. Scamman had 14 points, six rebounds and five assists while Benton contributed 12 points and five rebounds.

Previous to the Missouri Western contest, the women were the victorious contestants in the Washburn University Invitational in Topeka, KS., last weekend. Northwest advanced to the title game by beating Marymount College 81-71 last Friday and with a semifinal win over St. Mary of the Plains 78-66 Saturday.

In the championship game Northwest faced Grandview College of Des Moines. Led by Scamman's 22 points and 10 rebounds, the 'Kittens took the Vikings, 74-68. Scamman made the all-tournament team.

The 'Kittens opened the season by

beating Baker University 95-72. Aliva College fell next, 65-42.

Not only did the tournament give the 'Kittens their fifth win, but it also presented sixth-year coach Wayne Winstead with his 100th collegiate win.

Northwest will next host the four-team Ryland Milner Invitational Tournament this weekend (Nov. 30 and Dec. 1). Northwest opens tournament play against Chadron State of Nebraska at 6:00 p.m. Friday. Northeast Missouri State and powerful St. Cloud State square off in the other bracket.

## Harriers run 16th nationally

Cross country competition is complete for the year as the men's team placed 16th on Nov. 17 in the NCAA Division II championships at Clinton, MS.

Seventeen teams challenged for the team title, won by MIAA foe Southeast. Edinboro of Pennsylvania was 42 points behind for second place.

Northwest's best efforts were hampered by sickness, injury and personal setbacks. The Bearcats were

positioned poorly, being completely on the outside at the start of the race and falling out of position to be effective challengers.

Brad Ortmeyer paced the 'Cats in 44th place. Rusty Adams (64), Chris Wiggs (70), Tim Hoffman (89), Mark VanSickle (106), Tom Ricker (113), and Brian Grier (118), pursued. Out of Northwest's seven participants, five are freshmen and two are juniors.

BY JIM BURROUGHS  
Sports editor

Dreams are supposed to come true, but it does not always happen that way. The Bearcats know this for a fact as they lost to the University of Nebraska at Omaha (UNO) 28-15 in the first round of the National Collegiate Athletic Association Division II playoffs last weekend in Omaha. This was the first appearance for the Bearcats in post-season play.

Eight turnovers and 11 penalties for 110 yards caused the demise of the Bearcats despite one of the best offensive performances in 'Cat history. All total, the 'Cats gained 591 yards (423 passing, 168 rushing) but could only put together 15 points, mostly due to mental errors.

One of the first misques made was after place-kicker Pat Johnson kicked a 44-yard field goal with 11:31 left in the first quarter to give the 'Cats a 3-0 lead. On the ensuing kickoff, Johnson apparently kicked off before given the signal by the referee. Instead of UNO having the ball at their 20-yard line (Johnson's kick went into the 'end zone for a touchback) Johnson had to rekick five yards back from where he originally kicked off.

UNO took advantage of the opportunity. This time receiving the ball on their 5-yard line, UNO's Ray Stahla returned the ball 50 yards to the Northwest 44-yard line. From there, quarterback Randy Naran engineered a 10-play drive, the final play a five yard touchdown pass to running back Steve Macatis. UNO then faked the point after touchdown and went for the two-point conversion and making it successfully. UNO took the lead 8-3 with 7:32 left in the quarter. It was from here which spelled the beginning of the end for the Bearcats.

Yet down, but not out, the Bearcats struck back quickly. On their next possession after UNO's score, the 'Cats slick-fleeted Steve Hansley hauled in a 91-yard scoring strike from quarterback Brian Quinn. Hansley, under single coverage, caught the pass on about the UNO 40-yard line as the defender fell to the turf. Johnson's try for the extra point failed, but the Bearcats reclaimed the lead 9-8 with 7:28 left in first quarter.

If dreams can come true, so can nightmares. That is what the first half of the third quarter was for the Bearcats. On their first three possessions, they turned the ball over. The first one came after they took the opening kickoff of the half. After starting from their 20-yard line, they grinded it out to the UNO 2-yard line before running back Mike Thomas coughed up the ball.

Once again in UNO territory, wide

receiver Dan Anderson fumbled after taking a pass from Brian Quinn with UNO recovering. On their third possession, Quinn had a pass tipped and then intercepted. UNO made good on the latter turnover as quarterback Randy Naran hit split end James Quaites for a 39-yard touchdown. This made the score 18-9 UNO with 6:07 left in the third quarter. Prior to that, the 'Cat defense held UNO and forced them to punt when they had the ball within the quarter.

The Bearcats redeemed themselves their next possession going 85 yards on three plays, the latter a 52-yard touchdown run by Wilson. The 'Cats only trailed by a field goal, 18-15 with less than five minutes remaining in the third quarter.

Any kind of celebration was short-lived by the Bearcats. From that point on and for the rest of the game, it was the play of early in the quarter that they resorted back to.

Holding onto the ball was a problem for the remainder of the game for the 'Cats. Before it was all over, they turned the ball over five more times; two fumbles, two interceptions and a blocked punt.

The blocked punt, early in the fourth quarter, led to a 39-yard field goal by UNO's Morris and a Quinn interception late in the game led to a

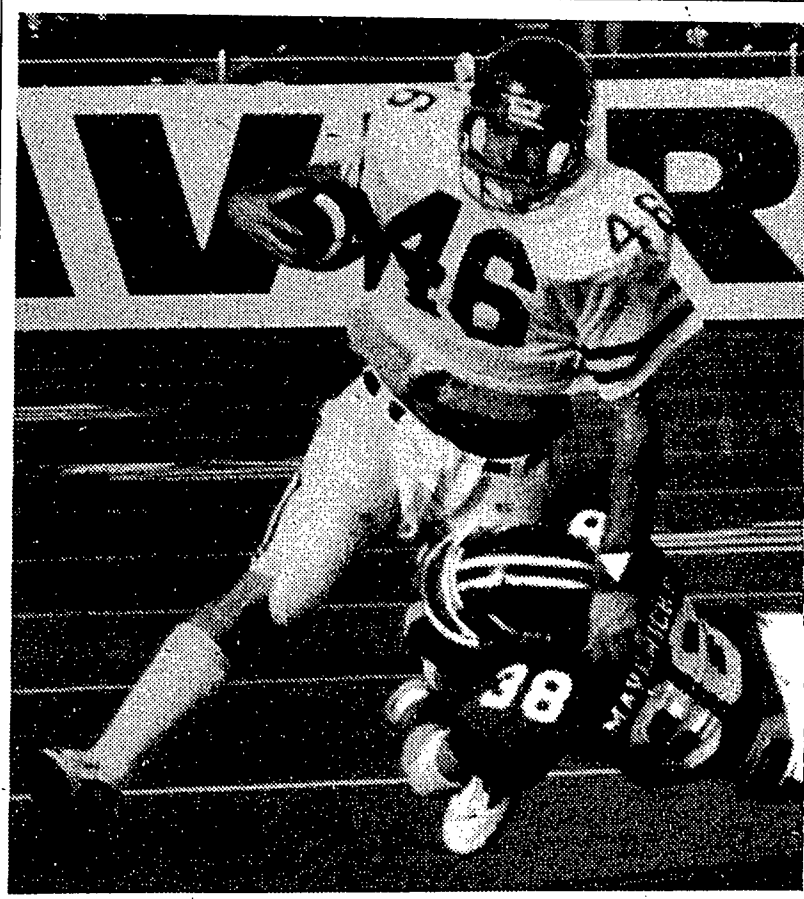

touchdown as UNO drove from their 49-yard line and hit pay dirt six plays later as fullback Brian Nelson went over from five yards out.

This gave UNO a 28-15 lead with 1:33 left in the game. The 'Cats knew they had to score and score fast. Going for their sure thing, the passing game, the 'Cats tried to rally. The Bearcats made a first down as Quinn threw a short pass to wide receiver Bryan Shaw who then lateraled to wide receiver Steve Hansley who fumbled but recovered. Quinn was sacked on the next play and then it was history for the Bearcats. Quinn under pressure, threw three incomplete passes and UNO took over and ended the 'Cats season.

Quarterback Brian Quinn closed out his collegiate career with his best day ever completing 25 out of 42 passes for 423 yards with one touchdown and three interceptions.

Wide receiver Steve Hansley caught 10 passes for 220 yards and a touchdown and Dan Anderson tallied 12 catches for 157 yards. With his total yardage in receptions, Hansley sets a new Division II playoff record for most yards receiving. The old record was 205 by George McClain of Northern Michigan in 1981.

Running back Robert Wilson led all rushers with 150 yards on 17 carries.

WIDE RECEIVER DAN Anderson tries to break away from the Mavericks Bob Rupp during their Division II playoff game Saturday in Omaha. Anderson caught 12 passes for 157 yards in the 'Cats 28-15 loss.

## 'Cats rally for Sinn's 200th win

BY MIKE SOBBE  
Staff writer

Career victory number 200; a big night in the coaching career of Dr. Lionel Sinn. His Bearcats upped their record to 3-0 with a 71-67 triumph in the last minute over a tough Missouri Western team Tuesday in St. Joseph.

"My 200th win was very nice and I can't deny that it was nice to beat Missouri Western," commented Sinn. "I was pleased not only for myself but for the players also because it helped them progress as a team."

Missouri Western got an early start on the 'Cats due to foul trouble. The Griffons were also getting offensive rebounds for easy shots. Forward Joe Hurst, despite having 15 first half points, got into foul trouble early and sat out the last eight minutes for Northwest. Despite losing their top scorer the 'Cats were able to stay close as they went to the locker room trailing 47-42.

"We made defensive mistakes and got into foul trouble early," remarked Sinn. "We got a little frustrated but did a good job to stay within five points."

A 13-4 spurt with just under 10 minutes left to play helped the 'Cats take their first lead of the second half 59-57. The score went back and forth until it was tied 63-63 with seven

minutes left. At this point the 'Cats went into their delay game until Dave Honz put in a lay-up with two minutes left to give Northwest a 65-63 lead.

Missouri Western missed their next opportunity and Hurst made a jumper with one minute to play to increase the lead to 67-63. Missouri Western came within two points, 67-65 and then fouled Todd May, who made the two free-throws to give Northwest the lead at 69-65.

The Griffons hit a jumper to again pull within two points. After a time out by Missouri Western, the Griffons blew a chance to tie the game when a costly traveling violation was called and Northwest got the ball back. Troy Applegate put the game out of reach by making a basket with one second remaining to give Northwest the victory 71-67.

Hurst, a first team all-MIAA selection as a sophomore, led all scorers as he had 28 points and grabbed 10 rebounds. Ricky Hawkins helped the cause by scoring 14 points. Hawkins is a junior college transfer starter from Southeast Community College in Nebraska.

"We corrected our defensive mistakes and stayed out of foul trouble in the second half," added Sinn. "Our defense held them to just 20 points, which is excellent, and that was a major reason for our victory."

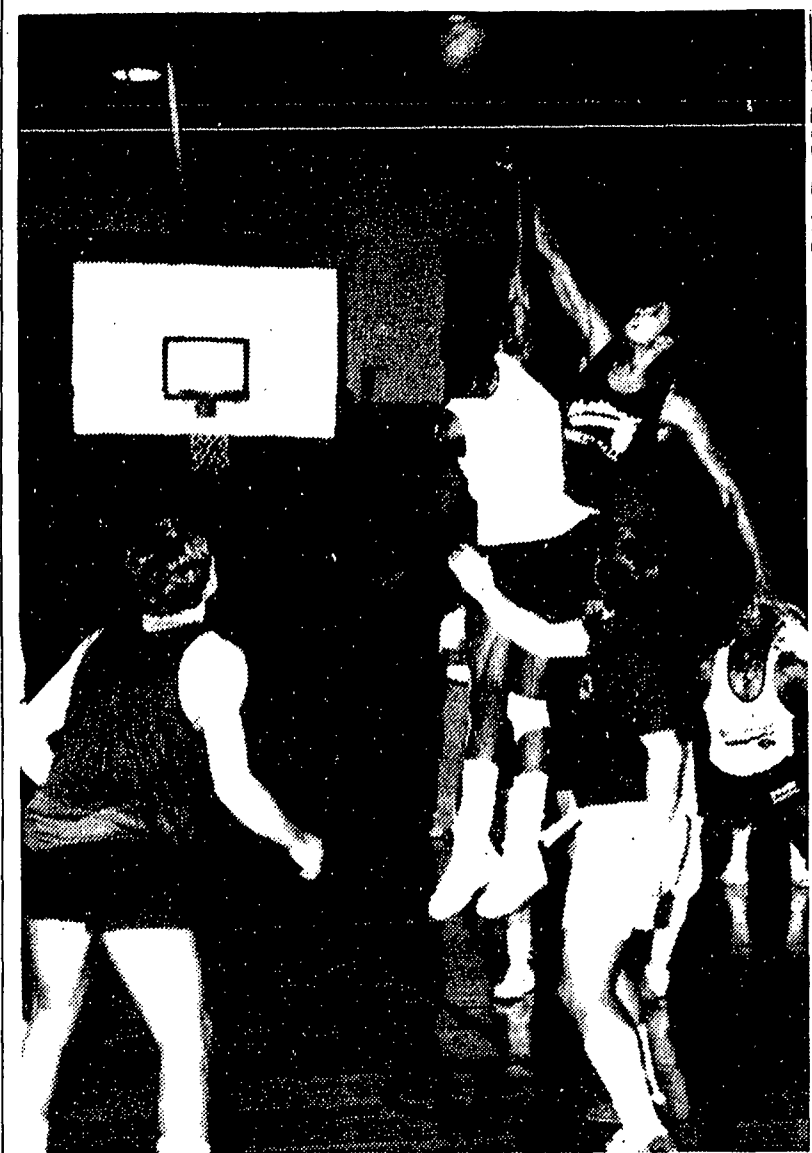

Photo by Dennis Nowatzke  
BEARCATS JOE HURST (left) and Tony White jump the opening tip off during the Green-White Scrimmage. Both players must have a significant year if Northwest hopes to keep up with Central Missouri in the MIAA.

## Competition stiff for wrestlers 'Cats triumph

BY STEVE SAVARD  
Staff writer

The Bearcat wrestling season is under way and the 'Cats will face what may be the toughest part of their schedule in the next few days. Saturday night the 'Cats travel to Cedar Falls, IA, to participate in the University of Northern Iowa open. Then, the 'Cats return home to host the University of Missouri Tuesday.

The Bearcat squad is under the direction of first year coach Bob Reece, a former standout Northwest wrestler himself. He replaces Gary Collins as head coach. Collins did retain his teaching position. Reece, who is also an assistant football coach, was most recently the wrestling coach at Ellsworth Community College in Iowa Falls, IA.

The defending MIAA champion

'Cats opened their season Nov. 13 in Edmond, OK., by dropping a 28-19 decision to NAIA powerhouse Central State. Following that, the 'Cats placed 10th in the University of Nebraska-Omaha (UNO) Invitational and also wrestled at the Cornell College Invitational. No team scores were tabulated at the Cornell meet. Tuesday night, the 'Cats traveled to Omaha for a dual match with the UNO Mavericks.

In the Central State match, four 'Cats emerged victorious: Mike Hemann (126), Craig Schweinebart (150), Wayne Love (177), and Joe Dismuke (heavyweight). Schweinebart and Love decided their opponents while Hemann and Dismuke were declared winners by technical fall after they had built up better than a 15 point advantage over their opponents.

After a disappointing showing at the UNO Invitational that produced

no winners, the 'Cats moved on to the Cornell meet where they captured one championship and four second place finishers.

Paul Mueller (118) was the lone Bearcat champion as he defeated teammate Mike Hemann in the championship. Runner-ups at Cornell were: Kevin Larson, Rick Swalla, Gavin Hjerleid, and Tom Kaufman.

Prior to Tuesday night's match with UNO, Hjerleid had recorded the most victories on the squad with six. Right behind with five victories are Mike Brown (118), Mueller and Schweinebart. Miles Erickson (167), Chuck Christianson (167) and Hemann each have two pins to their credit.

Tuesday night's match versus Missouri is the first of only four scheduled home matches. That match begins at 7:30 p.m. in Lamkin Gym.

## over St. John's and UMKC

The Bearcat basketball team opened the 1984-85 season with two home victories. On Nov. 20, they defeated St. John's University of Kansas, 73-60 and on Nov. 23, they defeated the University of Missouri-Kansas City (UMKC), 53-52.

Against St. John's, the Bearcats fell behind 9-4 but rallied to take a 29-24 halftime lead. In the second half, the Bearcats gradually increased their margin to the final 73-60.

The 'Cats were led in scoring by junior forward Joe Hurst, who led all scorers with 22 points. Junior Ricky Hawkins added 15 points to the attack and freshman center Jim O'Neil came

off the bench to grab eight rebounds to pace the 'Cats.

"We played a little sloppy against St. John's," stated Dr. Lionel Sinn. "Because of all of the new players on our team, we made the usual first game mistakes. Our players were not intense either because they didn't feel that they had to be mentally prepared to play the game."

The UMKC game was supposed to be played at Municipal Auditorium in Kansas City, but due to low ticket sales it was switched to Lamkin Gym.

The 'Cats trailed 50-47 with under three minutes to play but rallied to a 51-50 lead with baskets from Hawkins and Hurst. Hurst's basket came with just 48 seconds remaining. UMKC

jumped back in front with 36 seconds left on a basket by Demetrius Phillips. UMKC's hopes of victory were to no avail as Garry Harris hit a 15-foot jumper with eight seconds on the clock to seal the victory.

"We played 200 percent better against UMKC," added Sinn. "We played well against a good team and it was a good win for us since we were a little short-handed. The home court advantage was minimal because we couldn't get any breaks. I knew it was going to be a close game no matter where it was played."

The next game for the 'Cats will be the Ryland Milner Tournament in Lamkin Gym this Friday and Saturday.

**1 DAY OR YOUR PICTURES ARE FREE  
PICTURE PLEDGE PROGRAM**

Your Picture Pledge Program applies to roll developing and printing of standard size prints on glossy paper finish from 110, 126, disc, or 35mm Kodachrome Ektachrome color print film. It does not apply to orders where severe weather or other uncontrollable factors cause a service delay interruption. Weekends and holidays are excluded.

Your picture pledge program guarantees one-day service of the above specified films received in your stores before the regular pick up on Monday, Tuesday, Wednesday and Thursday. Photofinishing orders received after the Thursday delivery will be picked up on Friday and returned the following Monday. Friday photofinishing orders received after delivery will be picked up on Monday and returned on Tuesday.

Please refer to your stores' approved service schedule should there be any question.

One-Day Picture Pledge Is Not Available:

1. On Weekends.
2. On Holidays.
3. During severe weather conditions where delivery is delayed.
4. See details later in this program.
5. When service is interrupted due to uncontrollable factors.
